*All one-ton trucks or larger and anything with trailers will be required to have walkers along both sides of the truck and trailer from the front bumper to the end of the trailer and at the rear, spaced every eight feet.

*Maximum for a trailer is 20 feet.

*If candy is to be given out, it should be done by the walkers beside the vehicle to avoid the problem of candy being dropped too close to the moving vehicle, enticing children to run into street. Aim for the sidewalk.

*Alcohol consumption is not permitted during the event.

*Regular RMV regulations must be followed.
